

## Statement of Commitment and Understanding

As an employee of the Department of Veterans Affairs (VA), I am committed to safeguarding the personal information that veterans and their families have entrusted to the Department. I am also committed to safeguarding the personal information which VA employees and applicants have provided.

To ensure that I understand my obligations and responsibilities in handling the personal information of veterans and their families, I have completed both the annual General Privacy Awareness Training (or VHA Privacy Training, as applicable) and the annual VA Cyber Security Training. I know that I should contact my local Privacy Officer, Freedom of Information Act Officer, Information Security Officer, or Regional or General Counsel representative when I am unsure whether or how I may gather or create, maintain, use, disclose or dispose of information about veterans and their families, and VA employees and applicants.

I further understand that if I fail to comply with applicable confidentiality statutes and regulations, I may be subject to civil and criminal penalties, including fines and imprisonment. I recognize that VA may also impose administrative sanctions, up to and including removal, for violation of applicable confidentiality and security statutes, regulations and policies.

I certify that I have completed the training outlined above and am committed to safeguarding personal information about veterans and their families, and VA employees and applicants.
